MEMORANDUM FOR THE RECORD

SUBJECT: DCI's Appearance at Hampden-Sydney Fellows Program

AT 1. Per [redacted] Memorandum for the Record of 9 August, I talked to Mr. Keith Fitch at Hampden-Sydney College on 16 August to discuss the possibility of the DCI appearing at Hampden-Sydney on some future date. They would prefer that the DCI arrive on a Wednesday evening and meet informally with a group of students in a leisurely format. On the following morning (Thursday) he would appear at 1030 in the auditorium for a one-hour presentation, followed by lunch and a student discussion that afternoon. The capacity of the hall is 500 and would be open to students, faculty and the general public.

2. While the College would prefer that he come the night before and remain through the following afternoon, that is not necessary. The main objective is the 1030 Thursday morning presentation. The Director could fly from National Airport on Thursday morning to Lynchburg, Virginia, to arrive at 0915 for the one-hour auto ride to the College. The preferred date is 13 April, with backup dates in order of preference of 6 April, 20 April, and 27 April.

MEMORANDUM FOR THE RECORD

1. Mr. Keith Fitch, of Hampden-Sydney College, called this afternoon regarding the Director's prior agreement to participate in the Hampden-Sydney Fellows Program at the College. Mr. Fitch said that the Director had agreed to this during a recent conversation with Josiah Bunting, the President of the College.

2. Mr. Fitch said that the timing of the Director's visit was not yet firmed up but that it would be sometime in March or April 1978. The Fellows Program is a residency program, and speakers usually participate from Wednesday evening to Friday. Mr. Fitch realizes that the Director probably cannot devote that much time with the group; he therefore stated that a one-day visit could be planned. He suggested that the Director could come down on a Wednesday evening, stay overnight, and address the group on Thursday morning. If that is not feasible, an afternoon or evening lecture could be arranged. They seem pretty flexible. The subject of the Director's lecture is up to him, but they prefer it to be of broad topical interest.

3. I told Mr. Fitch that I would pass this information along to the action officer, probably Mr. Herbert Hetu, and that we would be back in touch with him. Mr. Fitch can be reached on 804; 223-4381.
